AFFILIATION FORM CLUB MEMBERSHIP 2016/17

The **East Fife Sports Council** is a local, independent organisation dedicated to the encouragement, development and promotion of all sports within the East Fife area.

The Sports Council enjoys the support of Fife Council and is managed by volunteers from the local sporting community, who bring with them a wide range of knowledge, skills and expertise. By providing advice, support and assistance to affiliated clubs and organisations in East Fife, the Sports Council seeks to further the sporting aims of its member clubs. The current membership consists of approximately 80 clubs representing some 25 different sports.

All sports clubs with a proper constitution and a democratically elected committee and which are affiliated to the appropriate national governing body are invited to become members of EFSC. Membership provides clubs with a range of benefits, including:

- ❖ **Club development.** We can assist with practical assistance in developing your club, growing membership and club marketing. This assistance includes the provision of training in such diverse areas as child protection and working with the local media.
- ❖ **Events.** We sponsor events designed to showcase local sports clubs to the general public.
- ❖ **Information.** We provide regular news bulletins to our member clubs, highlighting current opportunities and issues.
- ❖ **Representation.** All member clubs are represented on the Sports Council Executive Committee by an elected member from each sporting group. Through this representative, your views will be heard and actions proposed that are appropriate to your sport or individual club.
- ❖ **Grant Advice.** We maintain an up to date library of information about the various types of grants available to local sports clubs and individual athletes. We are always please to help members find the most appropriate source of funding and to help them apply.
- ❖ **Grant Aid.** In addition to providing grant advice, a sizeable part of our budget is made available to provide grants to member clubs and individuals where the EFSC grant criteria has been met.
- ❖ **Competitions.** As well as our annual awards ceremony, member clubs can participate in inter-sports council events organised by our umbrella body, the Scottish Association of Local Sports Councils.

Club membership is just £15 per year. To join, please complete the form opposite and return to the council's secretary.
